## Southlake Shoot-Out

Our 1st Annual Southlake Shoot-Out was a huge success. We hosted 27 games on Saturday Sept. 20th at Carroll High School and Carroll Senior High School. 18 Varsity Teams played three games each. Each and every Head Coach, Game Official, and College Recruiter made very positive comments about the event.

This event would have not been possible without the unbelievable Parent Support. You guys were great! Our Basketball Staff really appreciate the HELP!

The Varsity Dragons were an impressive 3-0 on the Day.

High School. Here are the dates for the league:

**Sept. 25**  
**Oct. 2**  
**Oct. 9**  
**Oct. 16**

website.

We will need parents help to make this a success. Please contact Coach Anderson and Coach Cravens to volunteer. Carroll will have four teams participating in the league.

## Shoot-Outs

Our Varsity guys are scheduled to participate in four Shoot-Outs. Our Sub-Varsity guys in one.

These events provide an excellent opportunity for our guys to play top notch competition, get exposure to college recruiters, create a team bond, and chemistry.

The Varsity guys had a great start in the Southlake Shoot-Out and hope to continue to improve this fall.

Bart Balkman is really gaining on Ron Platt and Marcel Bosworth for wins. Although Ron Platt has the only undefeated record. In all seriousness, thanks to all the parents that volunteer to help our players!

*"Ten years from now I won't remember how many points I had each game, or how many newspaper articles had my name in them, or how many minutes I played. I will, however, remember that I was part of something larger than myself, and that I was part of something I helped make successful, because I was part of a team. "*

## Shoe Orders and Fan Gear

Parents we will send information very soon on ordering shoes and fan gear. Teamline Sporting Goods has set up an online ordering system.

You will get online setup a account and enter a special Southlake Carroll Code. This will enable you to purchase items at a reduced rate. We have set it up to

include shoes, polo's, jackets, and t-shirts.

Our players are not required to purchase any items, but this just provides you with the same discounted price that we would pay through the school. Hopefully it will be functional this week. More info to follow.

## I Love You Enough

**Some day when my children are old enough to understand the logic that motivates a parent, I will tell them:**

- I love you enough to ask where you were going, with whom, and what time you would be home.
- I love you enough to insist that you save money and buy a bike for yourself even though we could afford to buy one for you.
- I love you enough to be silent and let you discover that your new best friend was a creep.
- I love you enough to make you take the Milky Way back to the store (with a bite out of it) and tell the clerk "I stole this yesterday and want to pay for it".
- I love you enough to stand over you for two hours while you cleaned your room, a job that would have taken me 15 minutes.
- I love you enough to let you see anger, disappointment, and tears in my eyes. Children must learn that their parents aren't perfect.
- I love you enough to let you assume responsibilities for your actions even when the penalties were so harsh they almost broke my heart.
- But most of all, I love you enough to say NO when I knew you would hate me for it. Those were the most difficult battles of all. I am glad I won them. Because in the end you won, too.

-Compliments of Carroll Basketball

"A grandfather told his grandson that there is a battle between two wolves that live within you.

One wolf is evil and has anger, envy, sorrow, regrets, greed, arrogance, self-pity, guilt, resentment, inferiority, lies, superiority and ego.

The other wolf is good and has joy, peace, love, hope, serenity, humility, kindness, empathy, generosity, faith, courage, honor and integrity.

The grandson asked his grandfather, "Which one wins?"

The grandfather replied simply, "The one you feed."
